Re: Application of Article 10.2	107

THIS AGREEMENT made this ____ day of _____, 2023

BETWEEN: **College of the Rockies**
(hereinafter called "the College")
PARTY OF THE FIRST PART

AND: **Canadian Union of Public Employees Local 2773**
(hereinafter called "the Union")
PARTY OF THE SECOND PART

WHEREAS the College is an employer within the meaning of the Labour Relations Code of British Columbia;

AND WHEREAS the Union is the collective bargaining authority for all employees of the College covered by the Union's certification;

AND WHEREAS the Parties hereto have carried on collective bargaining under the terms of the said Act and have reached agreement as hereinafter expressed;

NOW THIS AGREEMENT WITNESSETH THAT the Parties hereto agree each with the other as follows:

ARTICLE 1 PREAMBLE

- 1.1 It is the purpose of the Parties to this Agreement:
- a) to maintain and improve harmonious relations and settled conditions of employment;
 - b) to recognize the value of joint discussions and negotiations in all matters pertaining to working conditions, employment, services, etc.;
 - c) to encourage efficiency in operations; and
 - d) to promote the morale, well-being, and security of all employees.

ARTICLE 2 DEFINITIONS & INTERPRETATION

2.1 **"BOARD"**
means the College Board.

2.2 **"COLLEGE"**
means the College President or their delegate.

- 2.3 **"UNION"**
means the Canadian Union of Public Employees, Local 2773.
- 2.4 **"DAY"**
means a calendar day unless stated or implied otherwise.
- 2.5 **"EMPLOYEE"**
means a person employed full-time or part-time who is covered by the terms and conditions of this Agreement and shall have the same meaning as defined in the Labour Relations Code of British Columbia:
- a) *Probationary Employee* - an employee who is serving a probationary period(s) to determine suitability to a regular employment, or in the instance of a Term employee, to determine suitability for continued employment. All terms and conditions of this Agreement shall apply in full unless otherwise provided.
 - b) *Regular Employee* - a full-time or part-time employee who has satisfactorily completed or met the requirements of a probationary period(s) and who is employed on a continuous and/or permanent basis. Employees are entitled to employee benefits as per this Collective Agreement. Further, this employee shall not have their employment status changed as a Regular employee during the term of this Agreement.
 - c) *Term Employee* - a full-time or part-time employee who is employed to fill a specific work requirement which is anticipated to be of a specific duration [i.e., fourteen (14) or more hours per week and for more than three (3) consecutive months duration]. This employee is not entitled to any of the employee benefits of this Agreement except as otherwise provided. However, such an employee will receive, semi-monthly, sixteen percent (16%) calculated on their total wages in lieu of such benefits, including annual vacation pay.
 - d) *Auxiliary Employee* - an auxiliary employee shall mean an employee, full-time or part-time, who is employed on a day-to-day basis. An auxiliary employee shall be paid a minimum of **three and one half (3.5)** hours pay at the hourly rate per shift. This requirement may be varied by mutual agreement, in writing, between the parties. An auxiliary employee shall also be paid a **three and one half (3.5)** hour minimum when an expected work assignment is cancelled, and the employee was not notified of such cancellation the day prior.

An auxiliary employee shall receive eight percent (8%), in addition to their regular hourly rate, calculated on their total wages in lieu of benefits, including annual vacation pay. It is not the intention of the

College to employ an auxiliary employee instead of employing a regular or term employee.

Auxiliary employees are primarily relief employees and may be employed to work full shifts or part shifts on an as-needed basis, in capacities such as: sickness relief, vacation relief, leave of absence relief, temporary workload relief. It is understood that the use of auxiliary employees will not result in a lay-off nor a reduction of the regular hours of work, nor a loss of wages of a regular or term, full-time or part-time employee.

A regular employee who retires and is subsequently rehired by the College as an auxiliary employee within 180 calendar days shall retain the same increment step held as a regular employee and be credited with the appropriate hours earned at that step.

- e) *Part-time Employee* - means a regular or term employee who works an average of fourteen (14) or more hours per week, but less than thirty-five (35) hours per week. A part-time employee will be guaranteed a minimum of **three and one half (3.5)** hours per shift. A regular part-time employee is entitled to benefits as per Article 17.6.
- f) *Regular Sessional Employee* - a full or part-time employee who has satisfactorily completed or met the requirements of a probationary period(s) and who is employed on a permanent basis for a minimum of six (6) consecutive months up to a maximum of ten (10) consecutive months each year.

Regular Sessional employees are entitled to employee benefits as per this collective agreement.

See Schedule 'A'.

2.6

"PRESIDENT"

means the College President and Chief Executive Officer.

2.7

The parties agree that the Collective Agreement be recognized as gender neutral.

2.8

A word used in the singular also applies in the plural, and vice versa, unless the context requires otherwise.

2.9

"SPOUSE" - For the purposes of this Agreement, spouse designates legal spouse, common-law spouse, and same sex partner of an employee, provided that the relationship between the couple meets the requirements of a "common-law" relationship as determined by the benefit plan insurers. This definition shall apply to all Articles of this Agreement, including but not restricted to Articles 17.2, 17.3, and 17.4.

ARTICLE 3 MANAGEMENT RIGHTS

- 3.1** The Union acknowledges that the management and direction of the employees are retained by the College except as otherwise provided in this Agreement.
- 3.2** The College shall exercise its rights in a fair and reasonable manner. Management rights shall not be used to direct an employee in a discriminatory manner, nor shall they be used to deprive an employee of their employment except for just cause.

ARTICLE 4 UNION RECOGNITION & RELATIONS

- 4.1** The bargaining unit shall comprise all employees included in the bargaining unit as described in the certificate, issued by the Labour Relations Board of British Columbia, except positions excluded by mutual agreement between the local parties or excluded by the Labour Relations Board of British Columbia.

- a) The question of inclusion or exclusion of a new position created by the Employer will be negotiated with the Union prior to any posting of the position. In the event the parties do not agree, the question of inclusion or exclusion may be referred to the relevant labour relations legislation. Where the parties fail to agree and pending a decision from the relevant body administering the labour relations legislation, the position may be filled and worked.

The Employer will provide the Union with a copy of the organizational chart for the immediate branch or program where the position is located, a copy of the position's job description and a copy of the job description for the position which supervises the position in question.

- b) If an existing position is changed, such that the union has concerns about its status, the information as described in a) above will be supplied upon request. In the event the parties cannot agree, the question of inclusion or exclusion may be referred to the relevant labour relations legislation. Where the parties fail to agree and pending a decision from the relevant body administering the labour relations legislation, the position may be filled and worked in the jurisdiction in which the position is currently contained.

- 4.2** The College recognizes the Union as the sole and exclusive collective bargaining authority for all employees as certified in accordance with the Labour Relations Code of British Columbia. Further, the College agrees to negotiate with the Union concerning all matters affecting

their relationship, aiming towards a peaceful and amicable settlement of any differences.

4.3 The College shall not bargain or enter into any agreement with an individual employee. An employee shall not undertake to represent the Union without the proper authorization of the Union. In order that this may be achieved, the Union shall provide the President or their delegate with a list of the names of its officers. Likewise, the President or their delegate shall provide the Union with a list of the names of its personnel with whom the Union may be required to conduct business.

4.4 A designated representative of the Union shall report to and make arrangements with their supervisor when it is necessary for them to be absent from duty with pay for the purpose of carrying on negotiations with the College and/or of attending any mutually agreed-upon meeting or proceeding related to Union-College relations.

4.5 The Union shall have the right to have the assistance of a representative of CUPE or any other advisor when dealing or negotiating with the College. Such a representative/advisor shall have access to the College premises to investigate and assist in the settlement of a grievance.

4.6 The College shall accommodate on-site Union meetings when possible - it being understood and agreed that the scheduling of such meetings shall not interfere with the operation of the College.

4.7 Employer Paid Union Leave

The President of the bargaining unit or alternate designated by the Union shall be granted twenty-five percent (25%) Employer-paid time release from a full workload per year. Such time shall be used to facilitate the operation of the collective agreement and employee-employer relationships. The President shall schedule such time with their supervisor. This provision is in addition to any other Employer-paid release time in the collective agreement.

Where such leave is granted, the Employer will replace the employee as necessary. The cost of this provision will be borne by the institution as a general operating expense.

4.8 Contact Information

Subject to any applicable law regarding privacy, the employer will provide to the Union a list of all the employees in the bargaining unit. The list will include each person's name, job title/classification, home mailing address and any other available contact information that the employer has including personal telephone numbers, such as cellular numbers, work e-mail, and, if available, personal e-mail.

This list will also indicate the employees' work site and employment status (such as regular, term, auxiliary, part-time and regular sessional), and if the employee is on a leave of absence, the type of the leave.

The employee contact list will be provided in an electronic spreadsheet to the Union contact designated by the Local Executive on a semi-annual basis.

4.9 New Employees

On commencing employment in a position within the bargaining unit, the employee's immediate supervisor or other representative of the employer will introduce the new employee to their Union Steward.

The Union Steward will be given an opportunity to meet privately with each new employee during the first month of employment to acquaint them with the structure, benefits, and duties of union membership. A maximum of thirty (30) minutes will be allowed for this purpose within regular working hours and without loss of pay for either employee. The day of the month will be mutually agreed to between the employee's supervisor and the Union Steward.

4.10 Union Bulletin Boards

The Employer will provide a union bulletin board at the Cranbrook campus. This board will be located in an area that is highly visible to employees. The bulletin board will be used solely for postings by the Union.

The Employer will also provide a space on the Portal and SharePoint for the Union's use.

ARTICLE 5 UNION-COLLEGE BARGAINING

5.1 Union Bargaining Committee

A Union Bargaining Committee shall be established and shall consist of not more than four (4) members. The Union shall advise the College of the names of the members of this Committee.

5.2 Bargaining Meetings - Scheduling

Bargaining meetings shall be scheduled at a time and a place determined by mutual agreement.

5.3 Bargaining Meetings - Attendance

A member of the Union Bargaining Committee shall have the right to attend bargaining meetings with the College held within their scheduled work shift without loss of pay.

5.4 Ratification Meetings

A member of the Union shall be permitted to attend a ratification meeting without loss of pay provided that a minimum of forty-eight (48) hours' notice is given in writing by the Union to the College.

5.5 Human Resources Database

- a) The Parties agree to provide and support the accumulation and dissemination of available data to the Centre for Education Information Standards and Services, or some other mutually agreed-upon organization. The Parties may undertake joint projects for the comparative analysis of such data.
- b) The Parties recommend that the Ministry of Advanced Education provide funding to assist in the gathering, analysis, and maintenance of such data through the agreed-upon organization.
- c) The Parties believe that their ongoing and collective bargaining relationships are enhanced through useful, timely and accessible data on relevant human resources matters, including those listed below.

d) Relevant Matters Include:

ARTICLE 6 UNION MEMBERSHIP & DUES

6.1 Union Membership

All employees, as a condition of continued employment, shall become and remain members in good standing of the Union according to the constitution and by-laws of the Union. All new employees shall, as a condition of continued employment, become and remain members in good standing in the Union within thirty days of employment. No employee shall be deprived of their employment by reason of loss of their membership in the Union for reasons other than those specified by the Labour Relations Code of B.C.

6.2 Union Dues - Deductions

The College shall deduct from every employee any dues, initiation fees or assessments levied by the Union from the semi-monthly payroll. These deductions shall then be forwarded to the Secretary-Treasurer of the Union not later than the fifteenth (15th) day of the following month and shall be accompanied by a list of the names of those employees from whose wages the dues have been deducted and of the amounts so deducted.

6.3 Union Dues - Income Tax (T-4) Slips

The College shall include on the Income Tax (T-4) slips the amount of the Union dues deducted.

ARTICLE 7 EMPLOYEE RIGHTS

7.1 Position Descriptions and Salary Classification

The College shall provide a Regular or Term employee with a copy of their position description and salary classification at the time of the employee's hire, or upon their request.

7.1.1 All newly created or significantly revised Regular and Term positions shall be evaluated in accordance with the College/CUPE Gender Neutral Job Evaluation Plan.

7.1.2 All Regular and Term positions to be appealed shall be as per the procedures in the College/CUPE Gender Neutral Job Evaluation Maintenance Manual which shall be considered to be part of this Collective Agreement between the Parties.

7.2

Discrimination

The College agrees that there shall be no discrimination, interference, restriction, or coercion exercised or practiced with respect to any employee in the matter of hiring, wage rates, training, upgrading, promotions, transfers, layoffs, discipline, discharge, or otherwise by reason of race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation, or age, nor by reason of their membership in the Union or because the employee has been convicted of a criminal or summary conviction offence that is unrelated to their employment.

7.3

Sexual and Personal Harassment

The College and the Union recognize the right of all employees to work in an environment free from sexual and personal harassment. Any complaint alleging sexual or personal harassment shall be treated seriously and in strict confidence and may be addressed through the grievance procedure, the College's Sexual Harassment Policy, or by notifying the B.C. Council of Human Rights.

If the grievor chooses to file a simultaneous complaint with the Human Rights Commission, the grievor agrees that, in so doing, the grievance procedure shall precede the complaint. The parties agree that proven sexual or personal harassment is a serious violation of an employee's rights, dignity, and personal well-being. The College will investigate all harassment grievances and treat all such grievances with seriousness and confidentiality. Where such grievances of a sexual or personal harassment nature are justified, appropriate disciplinary measures, up to and including dismissal are supported and endorsed by the parties.

Supervisory responsibilities, which are carried out, including disciplinary action, are not harassment.

7.3.1

Sexual Harassment

Sexual harassment may be physical and/or psychological, and may take the form of any unwanted or unwelcome conduct, comment, gesture, or contact of a sexual nature that is likely to cause offense or humiliation by another employee of the College who knows, or reasonably should be expected to know, that such behavior is unwanted or unwelcome.

Sexual harassment also includes: sexual advances and requests for sexual favors such as an implied or expressed promise of a job-related reward to comply with a sexually-oriented request; a reprisal, or an implied or expressed threat of reprisal that impacts employment; a denial of employment opportunity, or the expressed or implied threat to deny employment opportunity.

Examples of sexual harassment that are not acceptable include:

- verbal harassment or abuse such as sexist jokes, comments, conduct
- posters, postcards, calendars, pictures, literature which is sexually explicit and not related to the work environment
- unwanted touching, patting, pinching, physical contact
- unwelcome compromising invitations which are of a persistent nature.

7.3.2

Personal Harassment

Personal harassment shall be defined as repeated, intentional, offensive comments or actions deliberately designed to demean and belittle an individual or cause personal humiliation.

Examples of personal harassment that are not acceptable may include:

- discriminatory behavior in violation of human rights legislation
- physical threats, abuse, assault, intimidation
- verbal abuse

7.3.3

Harassment Complaints Procedure

a) Obligation

It is the responsibility of the Employer to ensure that complainants and witnesses to harassment are protected from intimidation or repercussions after reporting incidents, including any subsequent investigation.

- b) When harassment occurs, an employee will immediately contact the Executive Director, Human Resources & Payroll or their designate by telephone or in person and a Union Representative. The complainant will follow up this contact with written documentation as soon as possible.

If the nature of the complaint is such that the College's representative and the Union's representative mutually agree, then the complainant has the right to leave the job site with pay until the College has made reasonable alternate work arrangements to accommodate the complainant while the complaint is being investigated.

Upon receipt of a formal written complaint, the Executive Director, Human Resources & Payroll or their designate, will investigate and provide a summary of action to be taken to the parties concerned, including the Union. Confidentiality will be maintained as much as

possible subject to the requirements of the investigation and complaint procedures.

This action could include such disciplinary actions as transfer of job, suspension or dismissal. Bargaining unit employees, upon request, shall have the right to have a shop steward present.

- c) Employees who make legitimate complaints of harassment will not have their positions affected in any adverse way. Where the complaint is considered to be frivolous, malicious and vindictive or without substance or reasonable or probable grounds, the College shall take appropriate action.

7.4 Personal Duties

The rules, regulations, and requirements of employment shall be limited to matters pertaining to the work requirements of each employee.

7.5 Strikes, Lockout & Picketing

Employees who are lawfully on strike or lawfully locked out, or who, as a matter of conscience, choose not to cross a legal picket line as provided by the Labour Relations Code of British Columbia shall not be subject to disciplinary action by the College. However, such employees shall forfeit their salary and applicable health benefits as per Article 17.2 for the period during which they are absent from duty. Applicable benefits coverage may be continued for a Regular employee provided the Union agrees to remit the full premium costs to the College for such benefits continuation.

7.6 College Personnel Files

7.6.1 Access

An employee shall have the right, upon given reasonable notice to the Executive Director, Human Resources & Payroll, to have access to and review their personnel file and shall have the right to respond in writing to any document contained therein. Such a reply shall become part of the permanent record. Upon request, photocopies of any documents shall be provided to the employee.

7.6.2 Restrictive Reports

Such notice shall contain the following information: nature of the position, qualifications, required knowledge and education, shift, hours

of work, wage or salary rate or range. Such qualifications may not be established in an arbitrary or discriminatory manner.

21.1.1

Those who are qualified may be granted an interview, and following such interview(s), will be informed as soon as possible as to the status of their application.

The internal job posting procedure may be waived upon the mutual consent of the College and the Union.

Only after internal posting procedures have occurred and if no internal qualified applicants have applied, or, if upon concluding the screening process, it has been determined that internal applicant(s) have not met the necessary qualifications and ability criteria, then, the College will conduct recruitment activity outside of the internal job postings procedure.

- ii) Auxiliary employee applicants with less than a minimum of 900 hours of seniority will be considered external applicants for job postings unless they have a minimum of 450 hours of seniority under the same department/campus, managerial position.
- iii) All auxiliary employees who are employed as of June 15, 2013 are deemed grandfathered and fall under the former language which reads: Auxiliary employee applicants with less than a minimum of 450 hours of seniority will be considered external applicants for job postings.

21.2

When a Regular, Term or Auxiliary employee has been offered a position as a result of the internal job posting process as per Article 21.1, they will be required to complete a four (4) month trial period in the position. However, the Executive Director, Human Resources & Payroll, or designate, shall have the option of further extending this trial period by an additional two (2) months.

For Regular employees

In the event that the successful applicant is determined to be unsatisfactory in the position, **or the employee requests**, they shall be returned to their former Regular position at the former pay grade they were at, and without loss of benefits, benefits entitlements and seniority, and any other employees promoted or transferred because

of the rearrangement of positions shall, if necessary, be returned to their former position(s).

For Term employees

In the event that the successful applicant is determined to be unsatisfactory in the position, **or the employee requests**, they shall be returned to their former Term position at the former pay grade they were at, and without loss of seniority, and any other employee promoted or transferred because of the rearrangement of positions shall, if necessary, be returned to their former position(s). For Auxiliary employees

In the event that the successful applicant is determined to be unsatisfactory in the position, **or the employee requests**, they shall be returned to Auxiliary status without loss of seniority.

21.3 Probationary Appointment - Evaluations

During a probationary appointment, the College will undertake regular evaluations to assist the employee in improving their work performance and to determine their suitability for continued employment.

The College agrees that in making staff changes, transfers or promotions, appointment shall be made of the applicant having the required qualifications and ability to do the job and the greatest seniority. Where more than one (1) employee in the bargaining unit applies for the same position, the most senior applicant shall be awarded the position provided the employee possesses the ability and qualifications and skills to do the job. The College shall determine qualifications and ability in a fair and equitable manner.

21.4.1 Placement on Scale: Promotion and Reclassification

- a) Where an employee is promoted to another position which carries a higher pay level, their salary will be set at the pay step of the applicable 'new' pay level which pays the closest higher salary than their current salary.
- b) Where an employee's position has been reclassified to a higher level and they have been performing the additional duties and responsibilities that resulted in the reclassification for six (6) months or longer, they will retain their current step placement at

the new level. Where they have been performing these duties for less than six (6) months, their salary will be set at the pay step of the applicable 'new' pay level which pays the closest higher salary than their current salary. The Joint Job Evaluation Committee will determine for how long additional duties resulting in reclassification have been assigned to an employee.

21.5 Temporary Appointment to a Position Outside the Bargaining Unit

No employee shall be temporarily assigned to a position outside the scope of the Agreement without the employee's consent and without the Union's approval.

If a bargaining unit employee is temporarily appointed to a position outside the scope of this Agreement, they shall be paid the appropriate salary and benefits for the position. They shall not lose their seniority rights, and Union dues shall be deducted and remitted during the term of this assignment based on their previous Union wage rate.

Temporary assignment outside the bargaining unit shall not exceed six (6) calendar months. **Timelines** may be extended subject to mutual agreement between the College and the Union.

The College agrees to provide the Union with a list of temporary appointments outside the bargaining unit, including name, classification, and anticipated length of appointment. The Union acknowledges that this provision does not apply to those bargaining unit employees who might be otherwise engaged in College positions outside of normal work hours.

21.6 Internal Application to Term Positions

Notwithstanding the provisions of 21.3 and 21.4, the College encourages the principle of opportunity and promotion for its Regular employees. Regular employees may apply to internal term job postings as per the following provisions:

1. The Regular employee(s) must possess the necessary qualifications, skills, and ability to do the job, and shall have completed a minimum of eighteen (18) months' service, and not have accepted appointment under this Article to a term position within the previous twenty four (24) months.
2. If successful, the Regular employee must complete the duration of the term position, which is subject to satisfactory job performance. If the term is extended, the Regular employee will continue in the term position.

3. If the term position becomes regular and the incumbent's job performance is satisfactory, then the employee will have the option to be confirmed in the position or immediately return to their former position. The College and the Union agree to waive the provision of 21.1 in this instance.
4. If the term position pays the same as the position that the Regular employee currently occupies, no salary adjustment shall occur. If the term position pays more than the position that the Regular employee currently occupies, a salary adjustment, as per article 21.4.1(a), shall occur.

If the term position pays less than the position the Regular employee currently occupies, the employee's salary will be adjusted to the step of the lower level position that is closest to their current salary but not outside the range for the position.

5. While filling a term position, regular employees will continue to be covered by all benefits outlined in the present Collective Agreement for regular employees.
6. During the length of the term, and as applicable, the normal progression of salary increments at the applicable pay grade of the term position will continue subject to satisfactory performance.
7. The position that is thus vacated by the Regular employee will be posted as per 21.1 and not through this process.
8. If the term position does not become regular upon conclusion of the term, the Regular employee shall return to their former position without loss of seniority or benefits.

21.7 Job Stability

Regular employees shall not be eligible to apply for another regular posted position within their initial probation period, except by mutual agreement of the College and the Union.

ARTICLE 22 LAYOFFS & RECALLS

22.1 A layoff shall be defined as a reduction in the work force or a reduction in the normal hours of work for Regular Full-time employees, as defined in Article 8.1, or, a reduction below the minimum number of hours/week for Regular Part-time employees, as defined in Article 2.5., or, a reduction below the minimum number of months/year for a Regular Sessional employee, as defined in Article 2.5.

22.2 The Parties recognize that employment security shall increase in relative proportion to the length of service. Therefore, in the event of a

layoff in an area determined by the College, regular employees shall be laid off in the reverse order of their seniority. A regular employee shall have the right to utilize their seniority throughout the College.

However, in order for them to utilize their seniority rights, they must possess the present qualifications, abilities, and skills as determined by the College **and in alignment with the job description**, to perform the functions of the position in question.

However, a regular employee about to be laid off may bump an employee with less seniority, **subject to the provisions of article 22.6**, provided they possess the present qualifications, abilities, and skills (as determined by the College **and in alignment with the job description**) to perform the work of the employee **to be bumped**. The right to bump shall include the right to bump up, **subject to the provisions of 22.6 (d)**.

22.3 The College shall notify a regular employee who is to be laid off at least thirty (30) working days prior to the effective date of the layoff. The College shall normally notify a Term employee who is to be laid off prior to the duration of their appointment at least ten (10) working days prior to the effective date of the layoff. An employee shall be paid for those days in lieu of notice.

22.4 A regular employee shall be recalled for up to two (2) years following their layoff in the relative order of their seniority providing they possess the present qualifications, abilities, and skills as determined by the College **and in alignment with the job description**, to perform the functions of the vacant position. No new employee shall be hired, other than with respect to a new position, until those laid off have been provided an opportunity for recall.

22.5 Severance Pay

In the event of a layoff, a regular employee may elect severance pay at the time notice of layoff is received, or during the period of layoff, or, upon the expiration of their recall rights. Such severance payment is as follows:

- a) after six (6) consecutive months of employment: two (2) weeks' pay
- b) after three (3) consecutive years of employment: three (3) weeks' pay, plus an additional one (1) week's pay per each subsequent year of completed employment, up to a maximum of twelve (12) weeks' pay.

An employee, who elects severance pay, shall then lose all other rights under Article 22.

22.6

- a) be a regular employee
- b) be senior to the person in the position being bumped into
- c) possess the present qualifications, abilities, and skills as determined by the College **and in alignment with the job description**, to perform the functions of the position in question
- d) be within two pay levels of the classification of the position bumped into, with the exception that an employee may bump back into the position they previously held, providing the responsibilities of the position have not changed substantially such that the position has been reclassified through the JE process

Definitions Applicable to Article 22.6

Campus - the location at which a regular employee works.

Pay Level - the current classification level assigned to a position

Seniority - the length of service with the College in a Regular Full-time, Regular Sessional, or Regular Part-time position and includes the length of service with the College in a Term position prior to November 21, 1994.

Bumping Procedure

Step 1

The laid off employee will have ten (10) working days from receipt of lay-off notice to indicate written intention to bump. The written intention, addressed to the Executive Director, Human Resources & Payroll, must state all the position(s) into which the employee feels they can bump and the Campus of the position(s). The employee will be required to outline the present qualifications, abilities and skills to perform the position(s) to be bumped.

Step 2

Within 5 working days of the bump request, the College will make a decision on which, if any, position the employee may bump. (This may include positions the employee has not identified in Step 1.) If an employee is eligible to bump into more than one position, the employer will approve the bump in the following order:
Employee's Campus

- a) into the position that is occupied by the least senior person at a

pay level equal to the employee's pay level

- b) into the position that is occupied by the least senior person at a pay level lesser than but closest to the employee's pay level
- c) into the position that is occupied by the least senior person at a pay level greater than but within two pay levels of the employee's pay level

Another Campus

- d) into the position that is occupied by the least senior person at a pay level equal to the employee's pay level
- e) into the position that is occupied by the least senior person at the pay level lesser than but closest to the employee's pay level
- f) into the position that is occupied by the least senior person at a pay level greater than but within two pay levels of the employee's pay level

This order is sequential. For example, a bump under b. will only be approved if there are no possible bumps under a.

Step 3

If an employee is bumped because of step 2, they will have 10 working days from receipt of their lay-off notice to indicate written intention to bump. The written intention, addressed to the Executive Director, Human Resources & Payroll, must state the position(s) into which the employee feels they can bump and the Campus of the position(s). The employee will be required to outline the present qualifications, abilities and skills to perform the position(s) to be bumped.

Step 4 - Same as Step 2

Step 5 and 6 - Same as Steps 3 and 4, if required.

Evaluating Bumping Requests

The College will evaluate bumping applications as follows:

- HRD and the Manager will evaluate the paper qualifications of the applicant.
- If the applicant appears qualified, HRD and the Manager will interview the applicant.
- If the applicant has a successful interview, HRD will conduct any necessary testing. This testing will be consistent with the

position's Recruitment Specifications as outlined in the most recent job description for the position that has been reviewed by the Job Evaluation Committee. This testing will be conducted in a fair and equitable manner.

- If the applicant is successful in the interview and, if necessary, the testing, their bump will be approved.

Note that testing will not be considered necessary when:

- i. The person has credentials to verify they have the required current qualifications, skills and abilities.
- ii. The person has adequately demonstrated the skills and abilities in their employment at the College within the past 24 months.
- iii. The person bumps into a position with the same pay level and job title.

Familiarization Period

A one-month familiarization period will be afforded an employee who bumps into a position. This does not remove the requirement that the employee have the necessary qualifications, abilities and skills to do the job at the time of the bump.

Notes

1. When an employee bumps, their salary will be adjusted to the highest step in that pay level that is equal to or greater than their current salary. In no instance will an employee be paid beyond the top step for a pay level.
2. If an employee chooses not to inform the Executive Director, Human Resources & Payroll of their written intention to bump or if an employee is ineligible to bump, they will proceed to lay off as per the layoff notice.
3. The effective date of all bumping shall be the original date of layoff.
4. An employee who bumps to another campus will be responsible for their own moving expenses (if applicable).
5. Article 22.4 will be interpreted to mean that a Regular employee on layoff (for a 24-month period from the date of their layoff) will have status as an internal applicant for both vacant and new Regular positions in the bargaining unit.

ARTICLE 23 OCCUPATIONAL HEALTH & SAFETY

The Union and the College agree that safety and health shall be in accordance with the Worker's Compensation Act and all its regulations.

There shall continue to be an Occupational Health & Safety Committee with member(s) from Management, two (2) members from CUPE Local 2773, with optional membership from the Faculty Association and from the Student Association.

The Committee shall hold monthly meetings for jointly considering, monitoring, inspecting, investigating, and reviewing health and safety conditions and practices, and to improve existing health and safety conditions and practices. Minutes shall be taken of all meetings and copies shall be made available to the Employer, the Union, and the Workers' Compensation Board.

ARTICLE 24 WORKERS' COMPENSATION PROTECTION

- 24.1** All employees shall be covered by the Workers' Compensation Act. No employee shall have their employment terminated as a result of absence from work with a compensable accident. Pending settlement of the insurable claim, the employee shall continue to accrue seniority and shall continue to receive the full benefits of this Agreement.
- 24.2** An employee prevented from performing their regular duties with the College on account of an occupational accident that is recognized by the Workers' Compensation Act, shall receive from the College the difference between the amount payable by the Workers' Compensation Board and their regular net salary. In order to continue receiving their salary, the employee shall assign their Workers' Compensation cheque to the College.
- 24.3** The Workers' Compensation supplement shall immediately cease in instances when:
- a) Final determination is made under the Workers' Compensation Act provisions that the employee is able to return to work, OR
 - b) The Workers' Compensation Board grants the employee a permanent pension for either partial or total disability, and the employee becomes eligible for the amount of Long-Term Disability benefits provided by the Insurer, OR
 - c) The expiration of two (2) years from the date of injury.

24.4 All accidents and injuries must be reported within twenty-four (24) hours or as practicable to the employee's immediate supervisor or the Human Resources Department.

ARTICLE 25 PRESENT CONDITIONS TO CONTINUE

All rights, benefits, privileges, and working conditions which employees now enjoy, receive, or possess as employees of the College shall continue to be enjoyed and possessed insofar as they are consistent with this Agreement, but may be modified by mutual agreement between the College and the Union.

ARTICLE 26 ACQUIRED RIGHTS

All provisions of this Agreement are subject to applicable laws now or hereafter in effect. If any law now existing or hereafter enacted, or proclamation, annexation, merger, or other structural change of the Board, the entire Agreement shall not be invalidated and the existing rights, privileges, and obligations of the employees shall remain in existence and either party, upon notice to the other, may reopen this present Agreement for negotiation.

ARTICLE 27 EMPLOYMENT ADJUSTMENT PLANS AFFECTING REGULAR EMPLOYEES

27.1 During the term of this Agreement, if the College introduces or intends to introduce a measure, policy, practice, or change that will affect the terms and conditions of employment, or the employment security of two (2) or more Regular employees, then, the College shall give notice to CUPE at least sixty (60) days before the date on which the measure, policy, practice, or change is to be effected.

27.2 Employer Commitments

It is agreed that the College will make every reasonable attempt to minimize the impact of funding shortfalls and reductions on the work force.

Subject to budgetary constraints and the amount of funding available for labour adjustment costs; fairness, flexibility and employee choice will prevail in the implementation of labour force adjustment strategies as approved by the College.

It is incumbent upon the College to communicate effectively with its employees and the union representing those employees as soon as the impact of any funding reduction or shortfall or profile change has been assessed.

If a work force reduction is necessary, the Joint Labour Management committee will canvas employees in a targeted area or other areas over a fourteen (14) day period, or such longer time as the committee agrees, to find volunteer solutions that provide as many viable options as possible and minimize potential layoffs.

27.3 Menu of Labour Adjustment Strategies

To minimize layoffs, the following menu of labour force adjustment strategies will be considered and whenever reasonably possible, offered by the College at the appropriate time in the employee reduction process within this collective agreement:

- Job sharing.
- Reduced hours of work through partial leaves.
- Transfers to other areas within the bargaining unit subject to available work and meeting qualifications, with minimal training required.
- Paid and unpaid leaves of absence for use to seek alternate employment, retirement adjustment, retraining, etc.
- Voluntary severance.
- Purchasing past pensionable service. If permissible, the employer will match a minimum of three years' contributions to the Municipal Pension Plan where an employee opts for early retirement.
- Early retirement incentives.
- Agreed secondment.
- Retraining.
- Trial retirement.
- Continuation of health and welfare benefits.
- Combinations and variations of the above or other alternatives.

27.4 Layoffs May Occur

Once strategies other than layoff have been explored, the College may proceed, if need be, to layoffs. For those affected by layoff, the provisions of Article 22 will apply and the system-wide Electronic Registry of Laid off Employees will be available.

27.5 No Stacking of Entitlements

While various options may be considered and offered, there will be no stacking of entitlements.

ARTICLE 28 GRIEVANCES

28.1 Grievance Procedure

- a) It is the intent and the purpose of this Article to provide the Parties with a procedure whereby grievances and/or disputes as to the interpretation, application, administration, or alleged violation of any of the articles in this Agreement will be resolved without work stoppage and in the following manner:

Step 1: Within twenty (20) working days of the incident, the employee shall meet with or without a shop steward, to discuss the matter with their immediate supervisor who is not within the scope of the bargaining unit. A written record of the **incident** and the resolution shall be prepared and **tentatively** agreed upon by the immediate supervisor and the employee and/or shop steward. **Such tentative agreement** shall be forwarded to the Union and the Human Resources Department **for consideration**. A sincere effort shall be made to resolve the matter at this stage.

Failing a satisfactory settlement at Step 1, the **Union representative** may, within ten (10) working days of the discussion, **advance** the grievance in writing to **Step 2**.

Step 2: The supervisor shall arrange and hold a meeting with the Parties concerned within five (5) working days of receipt of the written grievance and shall provide the employee with a written response within a further ten (10) working days.

Note: If, and only if, the immediate "excluded" supervisor is a Vice-President or another person directly reporting to the President, Step 3 shall be omitted and the next step shall be Step 4.

Failing a satisfactory settlement at Step 2, the **Union representative** may, within ten (10) working days of receipt of the written response, forward a copy of the written grievance along with any other relevant information to the appropriate person directly reporting to the President.

Step 2 may be waived by agreement of the Parties.

Step 3: The person directly reporting to the President shall arrange and hold a meeting with the parties concerned within five (5) working days of receipt of the written grievance, and shall provide the **Union representative** with a written response within a further **ten (10)** working days.

Step 4: Failing a satisfactory settlement at Step 3, the **Union representative** may, within ten (10) working days of receipt of the written response, forward a copy of the written grievance, along with any other relevant information to the President, or delegate.

The President shall arrange and hold a meeting with the Parties concerned within ten (10) working days of receipt of the written grievance, and shall provide the **Union representative** with a written response within a further ten (10) working days.

Failing a satisfactory settlement at Step 4, the **Union representative** may, within twenty-five (25) working days of receipt of the written response, advance the grievance to arbitration.

Arbitration

Notice of Intent to advance to arbitration shall be in writing to the President or their delegate. When the grievance is advanced to arbitration, the Parties shall select a mutually acceptable arbitrator.

In the event that mutual agreement cannot be reached, either Party may, upon five (5) working days' written notice to the other Party, request the Minister of Labour of the Province of British Columbia to appoint an arbitrator.

The arbitrator shall only have the authority to apply, or to determine compliance with, the provisions of this Agreement and shall not have the authority to in any way add to, detract from, or alter the provisions of this Agreement. The decision of the arbitrator shall be final and binding on the Parties.

Each Party shall pay the expenses incurred in connection with the preparation and presentation of its own case to the arbitrator and shall equally share the expenses of the arbitrator.

- b) When an employee is suspended or discharged and such suspension or discharge is deemed by the Union to be unjust and is submitted to grievance, the grievance shall be commenced at Step 4. Such grievance must be initiated within **twenty-five (25)** working days of the written notification to the employee of their suspension or discharge.
- c) A dispute involving a question of general application or interpretation or where a group of employees or the Union has a grievance, it shall be defined as a policy grievance.
 - i. If the Union grieves, it shall submit the grievance directly to the Executive Director, Human Resources & Payroll or designate.

- ii. If the College grieves, it shall submit the grievance directly to the President of the Union.
- iii. The **timeframes** in Step 3 onwards shall apply.
- d) An employee shall have the right to **attend with a** Union officer and/or a CUPE representative at any step of the above procedure.
- e) The Union shall be notified in advance of any meeting related to the above procedure and shall receive a copy of any written response.
- f) A grievance shall be deemed abandoned and all rights to recourse shall cease when the aggrieved Party fails to advance the alleged grievance to the next step within the prescribed time limits as set forth in this Article.
- g) Time limits as set forth in this Article may be extended by mutual agreement, which shall not be unreasonably withheld.

28.2

Union Stewards

- a) The College acknowledges the rights and duties of the Union Stewards. A Steward shall assist an employee whom they represent in preparing and presenting their grievance in order to provide for an orderly and speedy procedure for the settlement of a grievance.
- b) The Union shall notify the College in writing of the names of the Stewards, the areas which they represent and the name of the Chief Steward before the College shall be required to recognize them.
- c) The College shall not in any way hinder, coerce, restrain, or interfere with a Steward in the performance of their duties while they are investigating a dispute and presenting an adjustment as provided in this Article.

The Union recognizes that a Steward is employed by the College and shall not leave their regular duties during working hours without first obtaining the permission of their supervisor, which shall not be unreasonably withheld or delayed.

- d) An employee shall have the right to have their Steward present at any discussion with supervisory personnel which is or may be the basis of disciplinary action.

28.3

Labour/Management Committee

28.3.1 Labour/Management Committee

The Committee shall not have the authority to alter, modify, or change the Collective Agreement.

28.3.3 Meeting of the Committee

Re: Cost of Living Adjustment

Definitions

"General Wage Increase" or "GWI" means the overall general wage increase expressed as a percentage.

"Cost of Living Adjustment" or "COLA" means a percentage-based general wage increase adjustment provided in accordance with this Memorandum of Agreement. COLA is an upward adjustment applied to and folded into all wage rates.

The "annualized average of BC CPI over twelve months" (AABC CPI) means the *Latest 12-month Average Index % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March in the preceding year and concluding at the end of the following February.

The "Latest 12-month Average Index", as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average Index % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

COLA

The COLA will be applied as applicable to the GWI effective on July 1, 2023 and July 1, 2024. The COLA will be calculated by determining the difference between the AABC CPI and the annual general wage increase to the maximum COLA prescribed that year in Wage Schedule -- Grids.

July 2023

If the 2023 AABC CPI exceeds the July 2023 GWI of 5.5%, then, on July 1, 2023 the July 2023 GWI will be adjusted upwards to reflect a COLA equal to the difference between the July 2023 GWI and the 2023 AABC CPI up to a maximum of 1.25%.

July 2024

If the 2024 AABC CPI exceeds the July 2024 GWI of 2.0%, then, on July 1, 2024 the July 2024 GWI will be adjusted upwards to reflect a COLA equal to the difference between the July 2024 GWI and the 2024 AABC CPI up to a maximum of 1.00%.

Re: Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the Public Sector Employers Act, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the 2022-2025 CUPE Support Staff Common Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This Letter of Agreement is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:
 - a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
 - b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.
3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments,

flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.

4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
5. This Letter of Understanding will be effective during the term of the 2022 – 2025 Local CUPE Agreements party to this memorandum of settlement.

RE: Voluntary Workload Reduction

The College agrees to provide a voluntary workload reduction program during the life of this agreement. The purpose of the workload reduction program is to allow eligible Regular Full-time employees the opportunity to take a 'partial paid leave' or a 'temporary workload reduction' from their regular hours of work.

GENERAL PROVISIONS

1. Only incumbents who have successfully completed College probationary requirements and are employed in Regular Full-time positions will be eligible for consideration. Requests will be assessed on an individual basis and shall consider such things as the nature of the job duties; operational requirements; and impact on services to the College staff, students, and the general public.
2. The Regular Full-time position shall be continued as a Regular Full-time position for purposes of College and Union "position inventory". The intent being that the Parties will continue to recognize the position as "normally" Regular Full-time. The voluntary workload reduction program is not intended to result in the reduction of the number of Regular Full-time positions in the bargaining unit, nor intended to reduce/alter the normal hours of work for the Regular Full-time position (i.e. seven [7] hours per day, thirty-five [35] hours/week, five [5] consecutive days/week).
3. There shall not be any additional salary and/or benefits costs to the College, nor any reduction in the 'pre-voluntary workload reduction' salary and/or benefits to the Regular Full-time employee.

APPLICATION PROCEDURE AND PROCESS

1. The Regular Full-time employee must first submit their written request to their immediate Supervisor. The written proposal must provide that the Regular Full-time employee wishes to apply for a voluntary workload reduction for a minimum of three (3) months and for a minimum of twenty-one (21) hours per week. The proposal shall not carry beyond the life of this agreement. The Supervisor, after discussion with the employee, shall then forward the application to the College President for final approval.

2. The College President or their designate shall normally approve the application provided that the employee(s) making the application, and the designated Supervisor agree that an accommodation may occur. Within ten (10) working days of the written submission, the College President or their designate shall inform the employee(s) in writing of their decision, and if the request is not approved, the reasons for non-approval will be in writing. The decision to deny a request shall not be grievable by the employee and/or by the Union.
3. If either the employee and the Union, or the College wants to terminate the approved arrangement, it shall become terminated upon two (2) weeks' written notice by either Party and shall not be grievable.
4. The selection process to fill the balance of the vacated Regular position's workload and/or portion of the job duties resulting from an approved job share arrangement shall be in accordance with the Collective Agreement, subject to the "vacated" portion of the Regular Full-time position's duties not being substantially different than the overall intent or "whole" job consideration. If the portion of the job duties "vacated" is substantially different to warrant a review, the review shall be consistent with the procedures established by the Classification Committee on job evaluation prior to selection procedures.

REGULAR FULL-TIME EMPLOYEE: PROVISIONS WHILE ON VOLUNTARY WORKLOAD REDUCTION

1. The Regular employee who is on an approved job share arrangement shall continue to accumulate seniority as per the provisions of Article 20.
2. The Regular employee's salary shall be pro-rated at the appropriate percentage of the full-time equivalency, based on the number of voluntary reduced weekly hours of work for the effective duration of the approved job share program, and consistent with this Letter of Understanding.
3. The Regular employee's group benefits coverages as per Article 17.2 (Health Care Benefits); Article 17.3 (Long Term Disability) and Article 17.4 (Pension Plan) shall continue during the job share arrangement, except that the College shall contribute benefits premiums to the appropriate percentage of the full-time equivalency, and, the employee shall then be required to contribute to the balance of the applicable benefit(s) premium(s).
4. The Regular employee shall continue to be entitled to all other benefits (e.g. vacation entitlement, sick leave entitlement, etc.) as per the provisions of the Collective Agreement during the period of the workload reduction program.
5. If the Regular employee is required to work sporadic overtime while they are on the voluntary workload reduction program, overtime rates as per Article 10.3 apply after the full hours of work (daily or weekly) have been completed.

6. In the event that the Regular employee wishes to terminate the voluntary workload reduction arrangement as per this Letter of Understanding, then, they shall be returned to their full-time status. Any other employee hired to temporarily fulfill the "balance" of the job duties and/or workload commitments shall then be notified that their employment duration is therefore deemed to be "completed". In no case shall the College be required to provide any layoff notice or pay in lieu of notice or any other extra compensation to the other employee because the Regular incumbent wishes to resume full time responsibilities. Likewise, in the event that a Regular employee resigns from employment during the period of the voluntary workload reduction arrangement, then, the other employee hired to temporarily fill the "balance" of the job duties and/or workload commitments shall be notified that their employment duration is completed, and the position vacancy will revert back to Regular Full-time status.

RE: Lab Assistants

The parties recognize that Lab Assistants **occupying the following job numbers** are in the bargaining unit:

091, 092, 093

These individuals, and their Auxiliary, Term or Regular Sessional replacements, are included within the scope of the bargaining unit subject to the agreement by the Union of restricted application to provisions in the current and future collective agreements between the parties.

Notwithstanding the above, the provisions of the collective agreement between the parties that shall not apply to these individuals as Lab Assistants include Article 8 (Hours of Work), Article 9 (Shift Differential), Article 10 (Overtime); and shall be varied/replaced as follows:

Article 8 Hours of Work

8.1 The normal work week will be assigned by the supervisor. It will average at least twenty-one (21) hours per week but not greater than thirty-five (35) hours per week and will normally be scheduled five (5) consecutive days per week. Through discussion with and as approved by the immediate supervisor, an employee may be scheduled to work in excess of the normal work week of thirty-five (35) hours as long as the total hours worked during an eight-week period does not exceed a total of two hundred and eighty (280) hours.

Article 9 Shift Differential

Shift differential shall not apply to these positions.

Article 10 Overtime

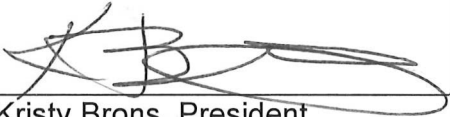

10.1 Overtime shall apply to hours worked in excess of two hundred and eighty (280) in an eight-week period and shall be compensated at one and one-half (1-1/2) times an employee's regular rate of pay.

10.2

An employee shall have the option of taking time off in lieu of overtime at the applicable overtime rate of one and one-half (1-1/2) times. Compensating time off with pay in lieu of overtime pay is to be taken within the employee's session. Accumulated time off in lieu of overtime may be taken at a mutually agreeable time between the employee and their supervisor. In the event that the accumulated overtime cannot be taken in time off in lieu, it shall be paid out at the end of the employee's session.

RE: Student Employment

The Parties hereto recognize the value in assisting students in obtaining practical work experience as part of the educational process. The Parties therefore agree that students can only be employed to supplement and complement the services provided by support staff employees and not for the purposes of eroding the scope of the bargaining unit by displacing or replacing Regular and Term support staff employees.

1. The employer agrees that student employment will be utilized only to accomplish specified work requirements of a limited duration. Therefore, the Parties agree that the total number of students employed during any one calendar year shall not exceed six (6) full-time equivalents (students employed by the College per year) with the maximum duration of any one Auxiliary placement not to exceed two hundred and eighty (280) work hours in a calendar year. The Union will be advised of all student employees, their duties and responsibilities, their duration and location of employment at the beginning of each semester. This may be varied subject to agreement in writing between the Parties.

This Letter of Understanding does not prevent the Parties, by mutual written agreement, from participating in Federal or Provincial initiatives for student employment over and above the six (6) FTE's mentioned above.

2. Students may be hired within one of the following categories:

Student Opportunities Fund Students
Auxiliary Students

3. If the student is hired for a period of three (3) months or longer at greater than 14 hours per week, the student will be a Term employee. Otherwise, they will be an Auxiliary employee.
4. The hiring of students will not result in the layoff of bargaining unit employees nor will it affect the recall opportunities of bargaining unit employees. The employment of students shall not reduce the normal use of Auxiliaries.
